

Wizard 5 Wireless Speaker

SKU: TEJZSPEAKWIZ5K

Compact and powerful: the JAZ Wizard 5 speaker is the right companion for your music

AT HOME AND OUTDOORS

The **Wizard 5 wireless speaker** is great for any use, not only in the home but also for an excursion or outing. Its **compact size**, minimalist design and LED that follows the rhythm of music make it a pleasant and adaptable object for the home. The **5W power** is great for use in the home whether you want to listen to music after a long day at work or watch a film on your laptop. With its practical **integrated strap**, you can attach the speaker to a backpack and take it to the park on a sunny spring day.

HIGH-PERFORMANCE BATTERY

The **1200 mAh battery**, when fully charged, is suitable for **up to 6 hours of active use** and **24 hours standby**. This means you can listen to music for a long time even if you are away from home during the day for a trip to the lake or the mountains. When the speaker is out of power, simply lift the integrated strap to find the power socket. Connect it to a power source with a USB port using the **included Micro-USB cable**.

REMOTE OPERATION

Thanks to the **range of up to 10 metres**, you can leave your device in another room or in your pocket without any signal interruption. What's more, this wireless speaker has **two volume control buttons** so you can decide how loud you want the sound to be even if you don't have your smartphone, tablet or laptop near you.
