

Airon - True Wireless Stereo JAZ earbuds

SKU: TEJZEARSETBTR

Stylish and high-tech Airon earbuds with charging case, for use as a pair or individually

TRUE WIRELESS STEREO TECHNOLOGY ENSURES A SECURE, HIGH-PERFORMANCE CONNECTION

These **Airon earbuds** wirelessly and **automatically pair with each other** as soon as you take them out of their case thanks to **True Wireless Stereo technology**. Plus, with a **wireless range of up to 10 metres** from the associated device, their connection is always secure.

DUAL LEADER TECHNOLOGY ENABLES SINGLE EARBUD USE

With **Dual Leader technology** and **microphones on both earbuds**, you can listen to music and make calls **in mono mode too**. This means you can charge one earbud in the charging case while you're using the other, saving energy and extending usage time. This feature also comes in handy when you want to monitor calls or listen to music but need to be able to hear external sounds too.

EARPHONE BATTERY AND CASE PROVIDE UP TO 20 HOURS OF LISTENING

The **35 mAh battery** provides **up to 5 hours of continuous use**. The **300 mAh case provides up to 4 charges**, extending usage to up to 20 hours. **When** the earphones are **flat**, you don't need to connect any cables, **simply place them in their case**. If the case runs out of battery too, connect it to a power source using the **cable provided**. **The case can charge the earphones even when it's on charge**.

ALL THE FUNCTIONS YOU NEED IN JUST ONE TAP WITH TOUCH CONTROLS

The **vast touch controls** make every function completely convenient and easy, so you won't have to take your phone out of your pocket or even touch it while you're driving. Using the earbuds, you can play/pause your tunes, turn on the voice-activated assistant, change tracks, answer/end/reject calls and redial the last number.

THE METAL FINISH AND STRAP GIVES THEM A TOUCH OF STYLE AND PRACTICALITY

These **Airon earbuds** stand out for their stylishness with their unique design and the **brushed metal finish** on the charging case cover.

Their **small case** is perfectly pocket-sized and can be easily attached to your keychain using the **silicone strap**.

The **silicone tips included** match the strap, adding a touch of style to these comfortable, practical and easy-to-use earbuds.
