

Qi wireless charger with stand for smartphones, earphones and Apple Watches

SKU: TEWIRDESKQIMFI3IN1

Charge your compatible devices with the wireless charger quickly and easily

3-IN-1 CHARGER FOR ALL YOUR COMPATIBLE DEVICES

You no longer need so many different chargers: with the Qi wireless 3-in-1 charger **you can use** just one **to charge your smartphone**, your **TWS AirPods** and your **Apple Watch**, all at the same time. Bring your devices close to the **10W fast charging base** and just like that you can start charging. The ideal solution for fully charging all your favourite devices.

WORKS WITH...

The 3-in-1 charger supports all Apple, Samsung, Xiaomi, Huawei, Oppo smartphones and many others compatible with wireless charging, due to the **IQ protocol**, the wireless power standard.

If your smartphone is compatible, you can charge it with no wires in the way.

MADE FOR APPLE WATCH CERTIFICATION

This charging stand is Made For Apple Watch certified, i.e. **it meets the performance standards required by Apple** for charging its smartwatch **series 4, 5, SE, 6 and 7**.

ADS TECHNOLOGY FOR SAFE CHARGING

ADS (Automatic Detection System) technology recognises the device's power needs to prevent overheating. Charging couldn't be easier with the automatic power regulator that will set itself at the performance levels supported by your device (type of devices supported with 5/7.5/10W power). This feature is particularly suitable for **iphones** requiring a 7.5W power supply.

Charging has never been easier!

PRACTICAL AND FUNCTIONAL

The **3-in-1 Qi wireless charger** is ideal for everyday use and **for any environment**. At home on your bedside table or at work on your desk, the compact and modern design is fully adaptable. **The stand function** also allows you to use the accessory to look at photos, video tutorials or comfortably take part in video calls, while keeping your phone on charge. Thanks to the **5W USB-A socket** on the back of the base, you can also recharge an additional device with one of your own cables.

Key features:

- stand function to keep the phone in an upright position
- power: 10W
- Made For Apple Watch certification (series 4, 5, SE, 6 and 7)
- Qi compatibility protocol, allowing wireless delivery of energy and automatic detection of the absorbable power
- Automatic Detection System (ADS) technology to automatically recognise the power needs of the 5/7.5/10W device
- 5W USB-A socket on the back of the base
- compatible with Android, Samsung, Apple, Huawei, Oppo and Xiaomi phones and many others suitable for wireless charging
- compatible with TWS earphones suitable for wireless charging and Apple AirPods

Contents include:

- 1 Qi Wireless 3-in-1 charger with stand for smartphones, earphones and Apple Watches
