

## Lightning Car Charger

SKU: TECRLH2189AWFAST

**The Lightning connector charges your Apple devices quickly and safely, even in the car**

### WITH LIGHTNING CABLE

This **charger** powers your iPhone, iPad, iPod\* via **Lightning** connector, even when you're driving to the office or home from work. The **integrated cable has a length of 1 m**.

### FAST AND SAFE CHARGING

Simply plug the charger into **the cigarette lighter socket in your car** and, thanks to its **10W output**, your device will soon be fully charged. **Intelligent Charge technology** guarantees full protection from overheating and overloading: it automatically detects the maximum input power of your device and adjusts output accordingly. The charging status is monitored by **LEDs**.

### MADE FOR APPLE

This cable is **Made For Apple certified**, meaning it meets the performance standards required by Apple.

### KEY FEATURES:

- Lightning connector
- Made For Apple certified
- Intelligent Charge technology
- Power output: 10W
