USB-C car charger - Fast charging 10 Watts

SKU: TECRTC10W

Charge your devices even in the car with the 12V cigarette lighter charger

Designed for your car

The **car charger with USB-C port** allows you to recharge your phone **smartphone**, **tablet**, **speaker** or your **wireless earphones** from Apple, Samsung, Xiaomi, Huawei, Oppo and other brands while travelling by car. Plug **into the 12V socket (cigarette lighter)** of your car which, once turned on, will allow the charger to immediately supply energy. At this point, connect it to your device through your **USB-C** cable.

The 10 Watt USB-C port allows for fast charging

If you forgot to charge your mobile phone before going to the office or before a long trip, this accessory will save you. The **fast charging** at **10 Watt**, in fact, it will bring the battery of your smartphone to 100% in 1 hour and that of a tablet in 2 hours (charging times are indicative and depend on the battery of the device being charged).

Compact and with status LEDs

The USB-C car charger is **small**: you can easily fit it in a backpack or handbag. **Monitor your charging** thanks to the integrated status LED.
