

USB-C to USB-C data and charging cable kit with 3 colours

SKU: TEKITCC3X1WBK

A colourful kit with 3 USB-C to USB-C cables to charge and transfer data quickly and easily

3 CABLES

This **kit** consists of **3 cables** with **USB-C and USB-C connectors**. **Length: 1.2m** Each cable has a different colour and enables charging and data synchronization.

COLOURFUL AND PRACTICAL

The three cables are respectively **black, white and blue**. This makes it easy to tell them apart when you have several devices connected to the same charger. The **anti-tangle feature** prevents the formation of annoying knots that interfere with easy use of the cable

RECHARGE AND SYNCHRONIZE DATA

The cables connect to a USB-C equipped power source and **charges USB-C devices**. To **transfer data** to your compatible smartphone or tablet, simply connect it to a laptop (no installation required). This way, **you can charge your device and simultaneously transfer music, pictures or videos**.

KEY FEATURES:
