

Ultra-durable aramid fibre USB-C - Lightning cable

SKU: TECABLEUNRELTCK

Durable and long-lasting: this cable from the Unbreakable collection is just what you need for your Apple devices.

IMPACT AND CREASE RESISTANT

The **USB-C - Lightning cable** is everything you look for in a cable: durable and long-lasting.

The cable coating is made of **aramid fibre**, a solid, deformation- and impact-proof material. This accessory has successfully passed a **50,000-bends stress test** which certifies its durability over time and the possibility of using it even in corners where **angles are particularly pronounced**. Its **anti-tangle finish** means it will always be tidy and knot-free.

MADE FOR IPHONE, IPAD, IPOD

This cable is Made For Apple certified, meaning it **meets the manufacturing and performance standards required by Apple**. The Lightning connector is suitable for many iPhone, iPad and iPod models.

CHARGE AND SYNCHRONIZE DATA

It is ideal for powering **iPhones, iPads and iPods** or transferring data from an Apple device to a Macbook, smartphone or other accessory with a USB-C port. The **metal reinforced connectors** ensure fast transfers between devices and the **1.5m length** makes it perfect for any situation.

KEY FEATURES:

- A "Made-for-Apple" device. This accessory is made to support Apple devices* and is certified by the manufacturer to meet the performance standards set by Apple.

- Made of aramid fibre
- Reinforced USB-C and Lightning connectors
- Suitable for charging and data transfer and synchronisation
- Tangle-free
- Length: 1.5 metres
- Stress test: 50,000 bends

Reinforced Connector

DOUBLE MATERIAL

The reinforced connectors give it an extended lifespan compared to the standard cable present on the market.

I connettori rinforzati gli conferiscono una durata maggiore rispetto al cavo standard presente sul mercato.

ANTI-TANGLE
Cable
