

Car kit with charger and USB - Lightning cable

SKU: TEKITCR2ULH2189A

The ideal kit for people who often travel by car and need to charge their Apple device with Lightning port

CAR KIT

The **car kit** is designed for people with an Apple device with a Lightning port such as an iPhone, iPad or iPod who want to keep it fully charged at all times.

THE CHARGER

The charger plugs into the **cigarette lighter socket** of your car and has two **USB sockets** to **charge up to two devices simultaneously**.

Use the blue port individually to benefit from **10W fast charging** and your **smartphone will be charged in 60 minutes***. This port features **Intelligent Charge technology** that **prevents overheating** while guaranteeing fast charging. The **grey USB port**, on the other hand, delivers **5W** power, charging your devices in 120 minutes.

Check the charge level on the **status LED**.

CABLE INCLUDED

The **USB - Lightning cable provided** is **1 metre long** and features a **anti-tangle finish** making it convenient to use. This cable, when connected to a PC or Laptop, can also be used for **transferring photos, images and videos**.

MADE FOR APPLE

This cable is **Made For Apple certified**, meaning it meets the manufacturing and performance standards required by Apple.
Safely charge your iPhone, iPad or iPod.

*charging times are approximate and depend on the device being charged
