

## Lightning Cable with 90° connectors

SKU: TECABLE90LIGK

### **Cable for charging and data transfer with metal USB 2.0 - Lightning connectors at 90° angle, 100cm length, colour white**

This **USB - Lightning cable** is a truly amazing product.

In fact, thanks to this accessory, you can recharge and transfer data between your Apple devices such as your iPhone, iPad or iPod. Its metal connectors have a **90° angle** which makes them ideal for every need.

The cable length of 1 metre is designed for those who want maximum comfort not only when it is necessary to feed or synchronise their devices. **Gaming** fans, for example, can enjoy themselves without the cable getting in the way.

It is really very **easy** to use: connect the Lightning connector to the dedicated socket on your Apple device and the USB end to another device such as a PC or a charger equipped with this input.

An **innovative and practical** accessory to take with you at all times so that you can play without draining your batteries.

Features:

- Charging cable
- Transfer and synchronise data
- Connectors: USB 2.0 and Lightning with 90° angle
- Cable length: 100cm
