

Ultra-durable aramid fibre USB - Lightning cable

SKU: TECABLEUNRELIGK

If you need an extremely durable and long-lasting cable, this USB-Lightning cable is what you need.

DURABLE AND REINFORCED

The **USB - Lightning Cable** is designed for those who own an Apple device and need an extremely durable cable.

The cable coating is made of **aramid fibre**, a solid, deformation- and impact-proof material. This accessory has brilliantly passed a stress test **of 50,000 bends**, certifying its durability and its suitability for use in corners where there are **particularly sharp bends**. Its **anti-tangle finish** means it will always be tidy and knot-free.

FOR CHARGING AND DATA TRANSFER

Connect it to a wall charger, car charger or power bank to easily charge your iPhone, iPad, iPod. If, on the other hand, you need to **transfer music, videos or documents, simply connect it to a PC or laptop**.

The **metal reinforced connectors** guarantee fast transfers between devices while the **length of 1.5 metres** makes it highly versatile.

MADE FOR IPHONE, IPAD, IPOD

This cable is Made For Apple certified, meaning it **meets the manufacturing and performance standards required by Apple**. Charge and transfer data in maximum safety.

KEY FEATURES:

- A "Made for Apple" device: an accessory designed to support Apple devices*, with the manufacturer's certificate of compliance with the performance standards required by Apple.
- Made of aramid fibre
- Reinforced USB and Lightning connectors
- Suitable for charging and data transfer and synchronisation
- Tangle-free
- Length: 1.5 metres
- Stress test: 50,000 bends

Reinforced Connector

DOUBLE MATERIAL

The reinforced connectors give it an extended lifespan compared to the standard cable present on the market.

I connettori rinforzati gli conferiscono una durata maggiore rispetto al cavo standard presente sul mercato.

Connettori rinforzati flessibili e resistenti
