

10W Wireless Base x3

SKU: TEWIRE20WMULTI

Wireless charger for 3 devices, Qi certified

3x1

3 wireless charging stations for 3 different devices: an all-in-one accessory . A Qi-certified 10W wireless cradle able to simultaneously charge: :

- An Android smartphone or iPhone
- A charging cradle for AirPods/AirPods Pro
- An Apple Watch

TECHNOLOGY

To take advantage of wireless charging, your devices need to be Qi-compatible, allowing for wireless power transfer.

The cradle comes with a USB-C cable to connect to a power source for recharging your devices.

EFFICIENCY

The cradle is designed to recharge Android smartphones (Samsung, Huawei, Xiaomi and Oppo) and iPhones. In fact, this charger boasts ADS (Automatic Detection System) technology which recognises the power needs of each device to avoid overheating.

With this system, the cradle can adjust the power to 5W or 7.5W, safely recharging iPhones.

If you connect only one smartphone, the 10W power output is fully distributed to that device, fully recharging in about an hour.

FEATURES:

- Wireless cradle with three charging stations
- Maximum power: 10W

- Certified Qi technology
- ADS Technology
- Fully recharges smartphones in approximately an hour*.

*Estimated time. Actual time varies by device.

10W Wireless Base x3
SKU: TEWIRE20WMULTI

Technical data

Input current: Quick Charge 5VDC 3A/9VDC 2A/12.5VDC 1.5A (Type-C)

Technology: ADS (Automatic Detection System), Qi technology

Charging type: Fast

Power connector: Type-C

Wireless Output: 10W

EAN: 8018417307379

SKU: TEWIRE20WMULTI

Maximum output power: 10 WATT
