

Made For Apple car charger kit

SKU: TECRKITPD20LIGW

Charge your iPhone and iPad in the car with the 20W charger and cable with USB-C and Lightning connectors

IN-CAR CHARGING

Arrive at the office with your devices already charged. This **kit** comprises a **20W car charger** and a **USB-C to Lightning cable** making it ideal for charging your Apple devices such as iPhone or iPad while you're on the road.

FAST CHARGING

The performance of a **20W Power Delivery** charger means ultrafast charging of your devices. In about 45 minutes, your drained iPhone battery will be back up to almost 100%. All this without the device overheating or short-circuiting..

SAFETY

The **Made For Apple certification** for the cable and car charger ensures that both accessories meet Apple's **manufacturing standards** and **performance requirements**. This means the accessories are safe to use.
